

Why Choose FRP Ltd

Since 2015, FRP Ltd has been New Zealand's trusted supplier of FRP, steel, and safety solutions. We are proudly NZ-owned and ISO 9001:2015 accredited. We supply reliable products that meet industry standards and perform across a wide range of industrial and site conditions. With a comprehensive product range and expert advice, we're here to support your safety, access, and infrastructure needs — no matter the size or complexity of the job. FRP Ltd is the authorised New Zealand distributor of CableSafe® products.

Confined Space Safety Ladder Guard

FRP Ltd is the authorised New Zealand distributor of CableSafe® products

Preventing unauthorised access to a ladder, the Ladder Guard acts as a cost-effective site safety measure. It hooks over the rung and locks at the front or rear via a stainless steel bracket (padlocks supplied if required). It fits ladders with internal rung widths from 250 mm to 450 mm.

Confined Space Safety Ladder Guard

The Ladder Guard by CableSafe® is a quick, secure way to prevent unauthorised access by locking over a ladder's rung. It fits rung widths from 250 mm to 450 mm.
