

Why Choose FRP Ltd

Since 2015, FRP Ltd has been New Zealand's trusted supplier of FRP, steel, and safety solutions. We are proudly NZ-owned and ISO 9001:2015 accredited. We supply reliable products that meet industry standards and perform across a wide range of industrial and site conditions. With a comprehensive product range and expert advice, we're here to support your safety, access, and infrastructure needs — no matter the size or complexity of the job. FRP Ltd is the authorised New Zealand distributor of CableSafe® products.

Manhole Quick Barrier

FRP Ltd is the authorised New Zealand distributor of CableSafe® products

The Manhole Quick Barrier is ideal for securing the entrance/exit to large storage facilities, tanks, or pipes where bolts are used. It provides security during maintenance and installation. It is adjustable in length and available in different sizes. The manhole entry confined space barriers are made of robust materials and are easy to install.

Confined Space Safety Manhole Quick Barrier

The Manhole Quick Barrier by CableSafe® is flexible and suitable for signing and restricting access to a broad range of out-of-bounds and hazardous areas via apertures, gaps, doorways, windows, openings, vents, and works corridors.

Manhole Quick Barrier	<ul style="list-style-type: none"> • Robust and can withstand extreme weather and chemical conditions. • Works excellently in all openings made of different materials (metal, wood, masonry, brick, polycarbonate, rubber, plastic, etc.) • Made of aluminium with a high quality powder coating and 3M reflective tape. • Can be adjusted in size. • Remains firmly in place and will not harm other material. • 100% recyclable.
------------------------------	---

Optional with Lock

Locks can be provided on request for easy handling and/or locking of the confined space protection barrier. Available with Lockout Tagout.
