

Why Choose FRP Ltd

Since 2015, FRP Ltd has been New Zealand's trusted supplier of FRP, steel, and safety solutions. We are proudly NZ-owned and ISO 9001:2015 accredited. We supply reliable products that meet industry standards and perform across a wide range of industrial and site conditions. With a comprehensive product range and expert advice, we're here to support your safety, access, and infrastructure needs — no matter the size or complexity of the job. FRP Ltd is the authorised New Zealand distributor of CableSafe® products.

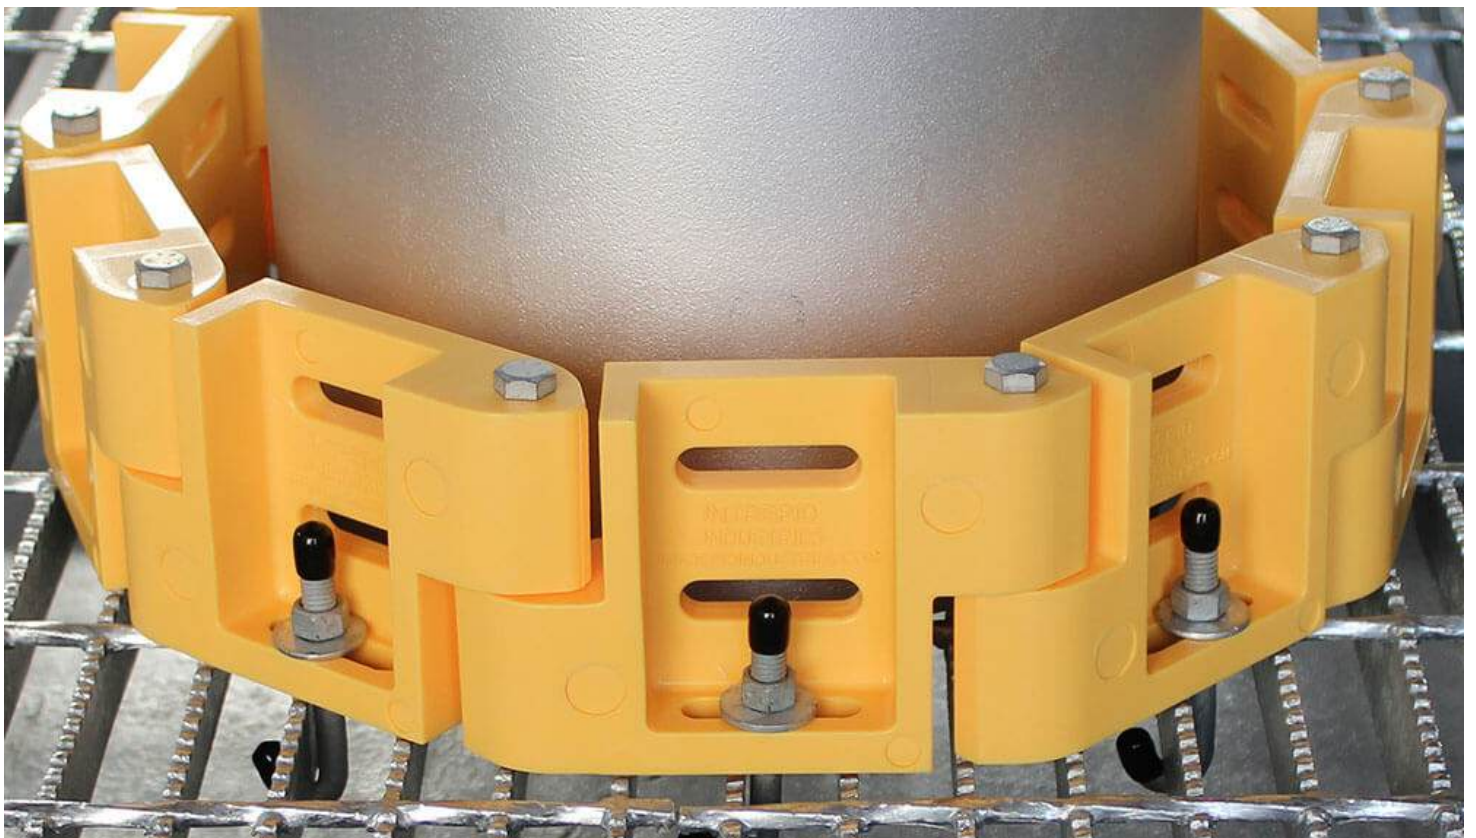

Toe Board

FRP Ltd is the authorised New Zealand distributor of CableSafe® products

Enclose unwanted openings, gaps, and penetrations in walking surface areas with Cablesafe® Toe Guards. Manufactured from rigid, non-corrosive polyurethane, which makes them resistant to outdoor exposure and harsh environments, toe guards are ideal for encircling piping penetrations in walkways.

Dropped Objects Prevention Toe Board

Toe Board Features	<ul style="list-style-type: none"> • Neatly enclose field cut penetrations • Great for rework • Eliminates the need to weld banding or split oversized pipe • Uniform, finished appearance
